Work Activity for the Week of 10/24/22 – 10/28/22

All work is scheduled weather permitting and is subject to change without notice.

Location 8-A (113-123 Singing Pine Road and Main Road between Emmons Drive and Fox Drive)

Crews will be on-site to stake out (mark the location of) the sewer line. Once access agreements are resolved crews are scheduled to:

- Set up traffic control signage and begin mobilizing and bringing in materials for the sewer bypass system
- Set up perimeter fencing around trees identified for protection
- Clear and remove vegetation on the river bank and begin set up of stream diversion measures
- *NOTES: Tree removal is on hold pending availability of the subcontractor.*

Location 5-B and 5-C (816-828 Main Road and/or 110-113 Bradford Drive)

- Crews will be on-site to mark out wetland areas
- *NOTE: Tree removal is on hold pending availability of subcontractor*

Location 9 (Corner of Fox Drive and Main Street, adjacent to 623 Main Road)

- Crews will set up temporary fencing this week.
- Trees have been marked as remove (red paint X and ribbon), remain (white paint O and blue/white ribbon) or evaluate (yellow ribbon). A meeting with the arborist, the construction team and the Village will be set up to evaluate trees to determine whether they will need to be removed or can stay.

Location 18-A (Adjacent to 108 Leach Drive)

- A survey crew will be on site to mark trees as remove, remain or evaluate (see location 9 for information about tree marking and the arborist meeting).

YOU'RE INVITED TO ATTEND WEEKLY TAILGATE MEETINGS!

AUI will host weekly tailgates with residents to address any questions or concerns. For the work in the Upper Canyon, these tailgate meetings will occur on **Tuesdays** at **4:30 p.m.** at **Main Road Bridge 2** at the corner of **Main Road and Fox Drive**. Anyone interested in the project is welcome to attend in person or remotely. Remote attendance is available through Microsoft Teams. See the project website or Facebook for the meeting link.
