

CONSTRUCTION UPDATE: Phase 3 – Hazard Mitigation and Stabilization Project *Update as of May 26, 2023*

Contact for Questions or Concerns: Patti Watson, 1-800-687-3417, 505-245-3134 direct office, 505-269-9691 cell, pattiw@cwastrategic.com

Work Activity for the Week of 5/28/2023-6/3/2023

All work is scheduled weather permitting and is subject to change without notice.

PLEASE NOTE: If more extensive rock excavation is required, the contractor may bring in larger equipment and/or hammers, which can generate noise and some vibrations. This could occur seven days a week (Monday-Sunday); however, the contractor will take steps to minimize the effects of these activities whenever possible.

Location 9 (Northeast corner of Main Road and Fox Drive)

- Crews to begin dewatering in the river.
- Crews to clear vegetation in the area and prepare for grouted boulders installation.

Location 8A (113-123 Singing Pine Road and Main Road between Emmons Drive and Fox Drive) and Location 7

- Crews will not be working Saturday, May 27 thru Monday, May 29 in observance of Memorial Day. Only activity over the weekend will be for maintenance of the sewer bypass.
- Bypass of the sewer main continuing with crew onsite monitoring and maintaining (24/7).
- Crews continuing to install the gravity wall and shear curb.
- Crews to continue setting and begin encasement of the new sewer line.

Location 18-A (107-108 Leach Street and 113-115 Fern Trail) & Locations 5-B and 5-C (816-828 Main Road and 110-113 Bradford Drive)

- Starting in June, workers coming out to the three locations to verify existing bedrock depth in advance of construction at these locations and prior to any tree removals.

Location 16-A (100 Mechem Drive and 2820 Sudderth Drive in and around the river)

- Tree removal pending; date still not determined.
