

CONSTRUCTION UPDATE: Phase 3 – Hazard Mitigation and Stabilization Project *Update as of September 9, 2022*

Contact for Questions or Concerns: Patti Watson, 1-800-687-3417, 505-245-3134 direct office, 505-269-9691 cell, pattiw@cwastrategic.com

Crews are working in 2 locations in Upper Canyon (See maps)

- 1) 816-828 Main Road and/or 110-113 Bradford Drive (Location 5B and 5C)
- 2) 113-123 Singing Pine Road and/or Main Road between Emmons Drive and Fox Drive (Location 8A)

Week 9/12/22-9/16/22

Workers will be on-site Monday, to mark the path for the temporary boundary fences for the utility companies. Later in the week, utility company locators will be on-site to mark the location of any underground utilities in the area.

Tree Surveying

Crews have marked trees in the construction easement that were identified as:

- Remove (red paint X & ribbon)
- Remain (white paint O & blue/white ribbon)
- Evaluate (yellow ribbon)

The meeting with the team and the arborist is scheduled for Sept. 22, 2022 to review the trees identified as Evaluate. During this

meeting, any trees within the temporary access easements that are proposed for removal to allow safe access to the work area will be identified in order to discuss with the property owner. **NOTE: After the meeting, the project team will coordinate with impacted property owners regarding the determinations for the trees at their sites.**

Other Ongoing Activities: Temporary boundary fencing is scheduled to be installed the week of Sept. 19-23, 2022.
